

KERRO SCALE

Highly precise & durable precision balances for Labs
(Where Quality is Obsession)

P-6b (220G/1MG) –High Precision Economical Weighing Scale

Standard Function:

- Auto Shutt Off.
- Outside Calibration.
- Auto Zero Tracking
- Auto Back Light.
- Low Battery Indication.
- Net weight Stable indication.
- Large LCD Display.
- Full Tare function.
- Rechargeable Battery.
- High-precision, Repeatability, Fast Reaction Speed.

Model No.	BL 2203
Range	220g
Div./Readabilty (mg/g)	1mg/0.001g
Repeatability	<=0.002g
Linearity	<=0.003g
Stability Time	2s
Pan/Platform Size (inch/mm)	3.14"(80mm)
WindSheild	150 mm
Tare Range	0-Max Capacity
Calibration	Outside Calibration
Load Cell (LxWxH)	4.3"x1.3"x0.4" (111x34x11 mm)
Units of Measure	g, oz, ct, lb, GN
Display	LCD (white back-light) 3.74"x0.98" (L 95xW 25 mm)
Operating Temperature	5°C~35°C
Power Supply	AC (100-240V 50HZ/60HZ)/DC (Rechargeable Battery)
Weight	2.5 kg
Outline Dimension	290 × 185 × 90mm
Sales Packaging	1Pc/Gift Box
Material Breakdown	ABS HOUSE, IRON STAINLESS, ALUMINIUM SENSOR
Certificate	CE, ISO, ROHS
Attachment	Scale Main Frame, Scale Pan, User Manual, AC Adapter, Windshield, Rechargeable Battery

Note:

We strongly recommend BL-2203, because it has all the features of a good 1 mg weighing Scale should have that too, at an economical Price.

Application:

Best used in Precise Weight measurement, in Research Fields, Schools, Laboratories.
Best Quality with Economical Price.
